

Prince Edward Island Royale Mini Rally

Larry and Beverley Dunville would like to invite Royale Club Members and their friends to PEI from Sept. 1st. to Sept 4th. for an informal gathering. We will plan an itinerary but it will be pay as you go for most of the activities. You can join in or do your own thing.

It is a long trip for most of you to get to Eastern US and Canada, so since you are this close, come on up and visit. Cavendish, P E is 450 miles from Portland, ME. The road is a beautiful four lane highway, except for the last 50 miles.

You will be overwhelmed by rolling hills of brilliant green and glowing red soil, surrounded by pink sand beaches with deep blue water. Fishing villages, patchwork farms, white churches and small villages with quaint shops will fill you with unforgettable memories.

September 1st. Arrival at Marco Polo Land Campground in Cavendish. At 5:00 we will gather and car pool over to Larry and Beverley's Barn for registration, a catered dinner and entertainment. After dinner we will discuss the next day's activities and you can sign up for anything you would like to do. If we have volunteers we can have breakfast in the barn each morning.

September 2nd. Thursday will be a Free Day to tour the area and give Larry time to book the activities.

We can take interested ladies on a tour of shops and 'Afternoon Tea' at Dalvay House.

Morning Golf and afternoon Deep Sea fishing can be arranged.

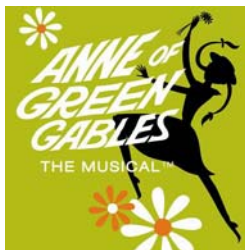

Take in a local Ceilagh.

At 6:00 we will gather and go for Dinner at a local restaurant.

September 3rd. Friday Larry and Beverley would like everyone to come to a Reception at 3:30 in our home. After the reception we will go to the *New Glasgow Lobster Suppers* for dinner. After dinner we will go to *Sandspit Amusement Park*. This has been the highlight for our previous four rallies.

September 4th. On Saturday afternoon Larry will take a car pool into Charlottetown and take a Duck or Old English Bus tour, and then arrange a group dinner in Charlottetown. We will take those interested to the *Anne of Green Gables Musical*. This is a Broadway quality musical that has been playing to a full house for over 40 years.

<http://www.youtube.com/watch?v=kUAQRMB2swY>

September 5th. Rally ends but we can arrange a Sunday Brunch for anyone staying on.

Rally fee will be \$200 per coach with two people.

Campground reservations on your own, there are 50 amp. Sites saved for the Royale Club.

www.marcopololand.com

Anne of Green Gables reservations can be made at Confederation Center of the Arts.

Touring Nova Scotia

We will have information available at the rally on touring Nova Scotia.

Warning!

-You are entering a Foreign Country- Canada!

Let's not have somebody's bad experience at the border crossing spoil our rally. The best advice that we can give is to be prepared.

Guns-

Do not bring guns! They are not allowed in Canada, not even hunting rifles. Hunting rifles are allowed if it is hunting season, but it is not hunting season, don't try. The only option is to declare your guns, which will be held at the border crossing until you return to the same crossing, this may not be convenient.

Liquor-

You are allowed **40 oz.** of spirits or **1.5** liters of wine or **24** beers per person. Any liquor undeclared above this amount will be seized, and a fine may be issued. If declared any liquor may be held for your return to the same crossing.

Radar Detectors-

They are **illegal** in Canada. They may be confiscated. Please have them turned off upon entering the country.

Be prepared; know what's in your coach. Don't forget that bargain liquor stored behind the fridge.

You should carry proof of registration and insurance for both Coach and Toad.

You should carry a passport. They will be required on return to the U.S...

Pets will require a record of up-to- date rabies shot.

Use credit cards instead of changing money, card companies give a fair exchange rate.

If you are well prepared you will most likely just drive through.
