

Royale R&R in Key Largo January 19-26, 2014

**Point of View
Key Largo RV Resort**

The key to beginning a great new year is to join the Royale Coach Club at **Point of View**, a brand new RV Resort on Florida's first key. It is located right on the water, bay side, with over 1000 feet of awesome shoreline scenery, sandy beach, a beautiful pool, clubhouse, game room, and more. Because the resort has just opened and not yet fully booked for next year, this is a golden opportunity for our club to enjoy the keys as a group. Some of the things to do in Key Largo include visiting the Wild Bird Center and John Pennekamp State Park (which has glass bottom boats to the coral reefs), kayaking, parasailing, snorkeling, sunset cruises, swimming with dolphins, exploring Key West, and of course spending time R&R'ing with friends. So make your reservation today.

Join us for Key fun!
