

Royale R&R in Key Largo Things to Do

The Royale **R & R** at Key Largo is fast approaching. Whether you are looking for **R**elaxation or **R**ecreation, there will be plenty of time for both. We have four optional activities scheduled for the entire group, but there are many other opportunities that you can schedule on your own. Here are the four planned group activities:

- 1- **“ACTIVITIES FAIR”** On check-in day, **Sunday**, there will be a gathering at the clubhouse from **4 to 6 pm**. Bring your own beverage refreshment and wear your nametag. While waiting for the sunset (at 5:56 pm), visit with a variety of local representatives to schedule your **Recreation** for the week. More details on some of the available activities are provided on pages 2 and 3.
- 2- **“ROYALE LUNCH on the BEACH”** For **Tuesday** we have reserved the entire beach-front dining area of the best restaurant in the keys – **Lazy Days** in Islamorada - www.lazydaysrestaurant.com/ Arrive there between **11:00 and 11:30**, order from their menu and choose to eat inside, on the patio, or on the beach. Driving from Point of View, Lazy Days is 20 miles south on the left side, just after Mile Marker 80. While in Islamorada, take advantage of the sights in that area, some of which are listed on page 4.
- 3- **“LEAVE THE DRIVING TO PREVOST”** Our excursion to Key West on **Wednesday** is sponsored by **Prevost**. Two buses provide for early or late departures and returns. See additional details on page 6.
- 4- **“WINE & CHEESE PLUS”** will be on **Thursday, 5 pm** at the clubhouse, hosted by the **Point of View RV Resort**. Relax by the pool, sample the wine and cheese, get a massage (\$55 / half hour), enjoy and dance to the music, and gaze at another one of those famous Key Largo sunsets. There will be a special surprise for the ladies.

Come to the “Activities Fair” on Sunday afternoon and meet representatives from some of the following local attractions. Get with your friends and be prepared to sign up for the activities you are interested in. There is a lot to see and do in the Florida Keys!

Directions to Royale Coach Club R&R in Key Largo – January 19-26, 2014

Point of View Key Largo RV Resort - 99010 Overseas Highway - Key Largo, Florida 33037

First, if you are driving down the east coast, avoid the mistake that we made. Do not stay on I-95 into Miami. It ends downtown, and there are seven miles of bumper to bumper, stop and go traffic to get back to the highway. Get over onto Florida's turnpike at some point. Your last chance might be at I-95 exit # 25, where you can take FL-84 west to I-595 to the turnpike. There will be some tolls, but it is worth it.

Second, when travelling in the keys, you will want to learn to watch for the milepost signs beside the road. They are small and have different configurations. Addresses for businesses on the main road are based on the milepost numbers. For instance, address 95750 is north of mile post 95, $\frac{3}{4}$ of a mile (750).

Below are listed the milepost numbers from the time you enter Key Largo until you reach the park. Beside each number is listed a nearby landmark to help you locate the markers. The RV park is located on your right, just before Mile Post 99.
